These obligations are not yet applicable at the date of issue; documentation will be provided as they enter into application.

## Packaging and intended use

Food-contact single-use product; packed in LDPE inner bag with label, outer carton sealed with tape; palletised with stretch wrap for shipment.

Schematic, not to scale and not a dimensioned manufacturing drawing; the product level is drawn as an exemplar. Bag counts, carton multiples and pallet loads shown are illustrative only and do not represent actual SKU quantities — for reference to understand the packaging system.

## PACKAGING HIERARCHY — schematic

The figure shows how unit, bag, carton and pallet relate. Counts printed in the drawing are examples only — not the quantities for this product group.

| Type      | Units    | Sorting   | Material                                        | Weight (kg) | Colour                | Recyclability  |
|-----------|----------|-----------|-------------------------------------------------|-------------|-----------------------|----------------|
| Product   | 1 pcs    | Recycling | Cardboard                                       | 0.0041      | —                     | B              |

## 07 TRACEABILITY &amp; DUE DILIGENCE (EUDR)

EU Deforestation Regulation

Product group level (order-specific traceability is per shipment)

| HS code (classification) | Commodity type | EUDR relevant (product record) |
|--------------------------|----------------|--------------------------------|
| 4823699000               | Paper/Pulp     | YES                            |
| EUDR support available   |                |                                |
| YES                      |                |                                |

Product group name and origin are in the document header. Due diligence and batch claims are documented per order.
